

## Alper Services

Alper Services is committed to offering all Food & Supply Source clients with the best insurance coverage available for the lowest cost. Our goal was to find an insurance company that would provide specialists who would work one on one with our members and provide all the resources you need to keep your employees and organizations safe. They offer general liability, pay as you go workers' compensation, accident insurance, participant transportation, employee dishonesty/ crime coverage all with flexible payment plans and discounted pricing.
