

Connection

As a leading National Technology Solutions Provider, we connect people with technology that enhances growth, elevates productivity, and empowers innovation. We have a full line of product and services to suite all of your IT requirements. Founded in 1982, Connection delivers valuable IT services and advanced technology solutions to business, government, healthcare, and education markets. Today, we serve our customers through our staff of highly trained Account Managers, our team of on-staff experts, and our efficient procurement websites.

Our Values

- **Respect**—We are united by one common vision. We work together to create a winning culture built upon mutual trust and respect.
- **Excellence**—We focus on activities that drive results. We lead by example. We work to achieve excellence in all aspects of our business. We are always looking for better ways to serve our customers.
- **Teamwork**—We win together. All success is mutual. We are accountable to our customers, employees, and shareholders. We work as a team to effectively collaborate, and drive innovation.
- **Integrity**—We are honest and direct in all of our dealings. Honor above all else! To register for your no obligation account. Just click here to register – [Register Here.](#)
