

## Medline

Medline is the largest privately held manufacturer and distributor of medical supplies, uniquely positioned to provide products, education and support across the continuum of care.

- Medline's vertical integration as both a manufacturer and distributor gives Medline end to end control over quality and costs, guaranteeing savings over hundreds of thousands of products.
- Being a privately owned company enables Medline to flex as your operations grow, rapidly adapting to your needs and customizing system-specific solutions.
- Medline's commitment to advancing healthcare and is evident in its actions every day and is the reason why customers choose Medline as their trusted business partner.

Medline manufactures and distributes medical products globally to provide quality and innovation to deliver exceptional value. Here are a few of the many categories and products that you can expect to see from Medline:

- Personal Care
- Incontinence
- Baby Diapers
- Wipes
