

WEX

Get control of one of your biggest business expenses. Stay a step ahead of any surprises.

WEX fuel cards and fleet management solutions give you powerful tools to reduce spending — for any business, any fleet, any size.

Fleet management solutions with WEX include:

Fleet fuel cards with automatic expense tracking, enhanced security, and detailed reporting. Choose the best fleet card for your business.

Powerful mobile apps to access your account, help drivers find the cheapest nearby fuel, pay at the pump, and more.

Premium GPS Telematics for tracking vehicle location, speed, fuel use, and more—to capture the data you need to keep improving your bottom line.

Advanced analytics software to keep you informed, find new ways to save, and streamline your overall fleet operations.

A U.S.-based customer service team that's there for you 24/7, ready to take your call and give you the most value from your fleet card program.
